

PEP DONATES \$3,862.78 IN INNOVATION GRANTS

Public Education Partners (PEP), with the kind financial assistance of its community partners, and its Board Members, is proud to announce our first teacher grants for the 2022-2023 school year.

After evaluating all of the grant applications submitted, PEP has selected eight awardees for this round of grants. These grants total \$3,862.78, of which \$1,429.11 were for STEAM projects. These grants are to be used by the awardee teacher(s) to carry out the projects for which they requested a grant.
